PARKING - IMPORTANT UPDATE

Leave plenty of time for traffic and parking. Because events at the Coliseum took several lots offline, we've arranged for auxiliary parking at Nassau Community College's West Parking lot, accessible from Charles Lindbergh Blvd. at the intersection of Earle Ovington Blvd. - it's the same lot for the Cradle of Aviation Museum. Shuttle buses will transport everyone right to the Coliseum, and back to your cars after the ceremony.

Our colleagues at Hofstra University have offered the use of two of their lots, also adjacent to the Coliseum. No shuttles for this lot, but it's easily walkable for most, with a traffic light and a crosswalk for pedestrians.

For those who use public transportation, Adelphi’s buses will take you to and from the Hempstead LIRR train station.

SECURITY

Please leave backpacks and large bags at home. You'll need to go through Coliseum security before heading to the floor level Expo Center for procession assembly.

ENTRANCE

Gates will open early for our faculty - at 7:30 a.m. Please use the Grant Thornton VIP entrance. Take the escalators to the floor level. When you reach the floor level, head left for the Expo Center.
