Arrival 8 am | Processional 9 am | Ceremony 10 am

PARKING - IMPORTANT UPDATE

Leave plenty of time for traffic and parking. Because events at the Coliseum took several lots offline, we've arranged for auxiliary parking at Nassau Community College's West Parking lot, accessible from Charles Lindbergh Blvd. at the intersection of Earle Ovington Blvd. - it's the same lot for the Cradle of Aviation Museum. Shuttle buses will transport everyone right to the Coliseum, and back to your cars after the ceremony.

Our friends at Hofstra University have offered the use of two of their lots, also adjacent to the Coliseum. No shuttles for this lot, but it's easily walkable for most, with a traffic light and a crosswalk for pedestrians.

For those who use public transportation, Adelphi's buses will take you to and from the Hempstead LIRR train station.

SECURITY

Leave your backpacks and bags at home. You will need to go through Coliseum security before heading down to the Expo Center for check-in. Leave plenty of time for traffic and parking.

ENTRANCE

Entrance Gates will open early for our students - at 7:30 a.m. Guest entry isn't until 8:00 a.m. Students, please use the Grant Thornton VIP entrance. It leads directly to the escalators to the lower level. When you get to the floor level, head left for the Expo Center.

MARCHING ORDER

Bring: student ID and MarchingOrder card. Fill out photographer info on back of card BEFORE arriving at the Coliseum. No card? Stop at the MarchingOrder table in the Expo Center.

CONGRATULATIONS!
